READY AND RESILIENT**

2022 Mid Canada Snow Conference and Trade Show

October 27 – 28, 2022
Victoria Inn, Winnipeg, MB

Dear Sir/Madame,

The Manitoba Chapter of the Canadian Public Works Association (CPWA) is pleased to be hosting the Mid Canada Snow Conference October 27 and 28, 2022 at the Victoria Inn, Winnipeg.

The conference hosts public works professionals from streets, roads, and transportation departments from around the province and neighboring provinces and states. At the conference, professionals within the field of public works have an opportunity to network, develop contacts, exchange ideas, attend educational sessions and see what new material, technology, and equipment is available. The goal is to provide a valuable experience and knowledge of snow removal and road maintenance during the winter, under one roof.

The theme for this year's conference is 'Ready and Resilient'. Always **READY** to serve their communities, and **RESILIENT** as ever in their abilities to pick themselves up off the ground after encountering challenges.

The Conference is open for two days with over 7 hours for you to interact with delegates. This will allow you a wonderful opportunity to interact with communities, RMs, and First Nations that have been invited to attend. Invitations have been sent to contractors and consultants as well.

The Snow Conference Trade Show runs from:

- Thursday, October 27 from 8:30 a.m. to 3:45 p.m.
- Friday, October 28 from 8:30 a.m. to 3:30 p.m.

Up to 44 booths are available, book early to confirm your spot.

The attached registration form outlines the cost to display, as well as the many other opportunities for advertising. We hope that you will consider these valuable options. Please submit your application along with payment, as booths are reserved on a first come/first paid basis.

I look forward to meeting you at the conference

Sincerely,

Randy Pitz
